

NOW HIRING!

Jacobson's Greenhouse is looking for highly motivated, energetic, and dependable employees for our Spring/Summer 2026 season. Must be 17 to apply.

Please read the following job descriptions. We would like to make sure that you are ready mentally and physically for the times that we require ALL that you can offer.

This is a very fun place to work, in a great environment.

Our returning staff will agree that we are pretty lucky to do what we do!

Customer Service Representative: FULL TIME/PART TIME positions available. Duties will include but are not limited to customer service in a VERY busy retail store, basic plant care and planting, cleaning, and organizing, restocking and carry out. Early on, CSR's will spend time planting in back greenhouses, learning the ropes. After planting is done, CSRs must be fully committed to a short but intense retail store experience. *CSRs must be personable and friendly and be able to assist customers with their questions and make sure their shopping experience is a good one.* This person must be physically fit and able to stand all day and lift heavy things. This position is seasonal, and sometimes hours are long. Sometimes they are not.

Weekend work is a must. Estimated time frame for this job is April -July

Cashier: FULL TIME/PART TIME Positions available. Duties will include but are not limited to cashiering with a touch screen system. *Background check required.* You must be able to correctly count money, count it back to customers and multitask. Other duties include customer service in a VERY busy retail store, basic plant care and planting, cleaning, organizing, restocking and carry-out. *Cashiers must be extremely personable and friendly and be able to assist customers with their questions and make sure their shopping experience is a good one.* This person must be physically fit and able to stand all day. This position is seasonal, and sometimes hours are long. Sometimes they are not. **Weekend work is a must. Estimated time frame for this job is April - July possibly August.**

Do you like the above 2 positions? Would you like to?

- Assist customers and help them make good choices for their plant purchases.
- Learn our cash register check-out system. Gold stars for money handling experience.
- Learn how different plants grow, how they grow together, what likes sun, shade etc. How to water. Basically, as much plant knowledge as you can absorb!
- Offer excellent customer service with a sunny disposition.
- Dependability is second only to customer service skills.

These positions are NOT for:

- Someone looking for a relaxing experience (although some moments may be like that).
- Someone who would rather work alone. (Watering positions are more independent)
- Someone with social anxiety- this is a VERY busy store.
- Someone who cannot commit to the whole season.
- Someone who may not be able to meet the physical requirements of the job.

These positions ARE for:

- Someone who excels in and has experience in customer service.
- Someone who can work as a team and knows how to communicate with a variety of people.
- Someone who is excited to learn about plants and how a greenhouse retail store operates.

- Someone who wants to get a great tan and loves exercise!

OTHER POSITIONS AVAILABLE

Store Waterer THIS POSITION REQUIRES COMMITMENT: POSITIONS HAVE BEEN FILLED FOR 2026

4 early mornings per week (preferably 4 days in a row) SOME mornings are short, and some are long. Great for the early risers and the self-starters! This schedule depends on what is needed for that day. Duties will include but are not limited to the complete watering of selected back greenhouses, and our store prior to opening for the day. This position would consist of watering and tending to plants. Experience is more than welcome, but on-the-job training is provided. Applicants must be able to pay attention to detail, accept constructive criticism (watering a greenhouse is hard to learn) and be self-motivated. Applicants must be able to lift and drag hoses, hold water wands outward, and step up, bend, and move freely with ease. Most of this position requires you to work alone. Some weekend work is a must. 4 days per week. Estimated time frame for job is April 15th – Mid June.

Back of House Laborer (s) – A PHYSICALLY DEMANDING position: This position has a great variety of duties, however it concentrates mostly on loading and unloading trucks, fulfilling wholesale orders, and delivery to our retail store and other stores throughout the state. This crew also does minor construction and maintenance. Power tool and equipment experience is a bonus! In addition, this labor crew works on a transplant line to plant and distribute our plants throughout our greenhouses. Must be able to follow instruction and be able to work with a team or alone. Heavy lifting is required, as well as most hours spent standing or walking.

Weekend work is a must. Estimated time frame for job is mid-March through July with opportunity to work later into the fall and during our holiday season.

Starting pay for above positions: \$17-18.50 DOE/position with room to grow. No experience necessary but welcomed.

Please email or bring a resume to our store prior to March 18th – Interviews to follow -

Please be sure to include which positions you are interested in and what your availability is.
